Connections Public Charter School

A Community, Business & Education Learning 'Ohana

Dear Parents and Guardians:

The No Child Left Behind (NCLB) federal law required teachers to be, or become, “Highly Qualified.” The Every Student Succeeds Act (ESSA), which became law in December 2015, no longer requires that all teachers teaching core academic classes meet a specific, federal definition of “Highly Qualified.” New ESSA requirements are effective beginning School Year 2017-2018. As a parent/guardian of a Connections Public Charter School student, you continue to have the right to know the professional qualifications of the classroom teacher(s) and the educational assistant(s) who instruct your child. Federal law allows you to ask for certain information about your child’s classroom teacher(s) and educational assistant(s) and requires us to give you this information in a timely manner upon request.

You have the right to ask for the following information about each of your child’s classroom teacher(s).

1. Whether the teacher has met licensing criteria and has earned the designation of Highly Qualified for the grade levels and subject areas in which he/she teaches. Core academic subjects include: English/language arts; Mathematics; Science; Foreign Languages; Civics and Government; Economics; History; Geography; and Art.
2. Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.
3. The teacher’s college major, whether the teacher has any advanced degrees and, if so, the subject of the degrees; and
4. Whether any teachers’ aides or similar paraprofessionals provide services to your child and, if they do, their qualifications.

If you would like to receive any of this information, please contact our school office.

Mahalo,

School Principal
