Conflict of Interest Policy

In accordance with the intent of CPCS GB Ethics Policy, the Governing Board prohibits the practice of immediate family members directly participating in the evaluation process of each other, or directly approving leave requests, purchase orders, position transfer requests, or using paid leave while an immediate family member serves as a substitute in their role as a Connections employee.

Regarding consideration for GB membership:

CPCS GB recognizes no conflict of interest in related persons serving as representatives of their respective role groups, so long as they do so according to the CPCS GB Bylaws.
